

Returning Students

Each year parents must re-enroll children for the coming school year. Since acceptance for the next year is not automatic, at the discretion of the pastor and principal, the school reserves the right to accept or reject re-enrollment. Such decisions are based on the student readiness for advancement, parental cooperation, student department, available educational opportunity, and space availability. A non-refundable deposit to hold the student's place in the school is required. No student will be considered registered until the deposit and previous year's tuition have been paid in full, a signed financial contract has been received, and registration and enrollment in auto-pay with FACTS has been completed. Under no circumstances will the deposit be refunded.

Admissions

St. John Vianney School (SJV) does not discriminate on the basis of race, sex, national origin, age, or physical handicap. It is our policy to operate within our State and Federal law and accept children with disabilities within reasonable boundaries by considering whether the acceptance would result in undue hardship to the school or child.

New Students

Applications for new students are available in December of each year. They may be obtained from the school office between 7:30am and 3:30pm Monday through Friday or downloaded from our school website at *sjvkailua.org*. The principal will interview parents of all new applicants. New students applying for kindergarten are given a kindergarten readiness evaluation once the completed application has been received.
