Upload your documents before completing your application by getting a FREE scanner app

Get a free scanner app on your mobile device (for example, CamScanner, TurboScan, or check your mobile device’s app store). You can take a picture of your document, upload it and save it as a PDF. Then, you email the document to yourself or upload to your computer/to a drive (Google Drive, iCloud, OneDrive, Drop Box, etc.) on your mobile device. From either of those, you can easily upload the documents to your FACTS application. Uploaded documents for your application can be in a PDF or JPEG format. Another option is to simply take a photo of your document and upload the picture directly to the application from your phone.
